SHORT DESCRIPTION

OX-ON Winter Basic 3004 is a very durable and warm winter glove for you, who work in cold and wet environments, for example with tank transport or with sewerage work and industry (metal and machinery).

The glove is lined and is fully-dipped in heavy blue nitrile to keep your fingers warm and dry, and at the same time the glove gives you an extremely good grip.

Winter Basic 3004 has a 7 cm gauntlet cuff, which protects your wrist, while at the same time the glove is easy to put on and take off.
